## APPEAL

Dear Friends,

Hearty welcome to all of you to Forging Technology Forum Conference & Exhibition 2022.

In line with the industrial revolution popularly termed as Industry 4.0 there will be many papers related to automation.

Also we have taken a decision to request speakers to share their experiences vide case studies. Therefore, the theme of this year's conference is "TOMORROW'S FORGING INDUSTRY".

The focus is also on allied processes like Heat Treatment, Surface Protection, Testing of Forgings etc. There will be a panel discussion on Automation in Forging Industry. The panellists are drawn from highly reputed individuals who have spent their lifetime in upgrading Indian Forging Industry.

Please join us as Delegates, Sponsors, Exhibitors and actively participate in making this conference a great success.
